Exclusive access to preferential travel rates

The offer:

Pegasus practices can access Pegasus preferential Orbit Travel rates, extending the same discounted transaction fee structure currently available to Pegasus Health to participating network practices. Practices simply identify themselves as part of the Pegasus network when booking directly with Orbit.

What practices receive:

- Access to Pegasus preferential travel management rates for domestic, international and conference-related travel.
- Dedicated support for conference registrations, CME attendance, professional development travel and business travel planning.
- Ability to have travel invoiced directly to the practice where required.
- Access to Orbit's specialist Groups & Events team for larger conferences, meetings and group travel arrangements such as GP CME
- Optional event registration management and administration support, reducing coordination workload for practices and attendees

Eligibility:

All general practices that are members of the Pegasus network can access exclusive network pricing. Staff working in these general practices can also access pricing benefits for personal travel.
